## Invited Speakers

|                             |                                                |
|-----------------------------|------------------------------------------------|
| Prof. Kisung Ko             | Chang Ang University                           |
| Prof. Xuechen Li            | The University of Hong Kong                    |
| Prof. Hikokazu Yagi         | Nagoya City University                         |
| Dr. Chi-Kung Ni             | Academia Sinica                                |
| Prof. Podile Appa Rao       | University of Hyderabad                        |
| Prof. Sopit Wongkham        | Khon Kaen University                           |
| Prof. Kiichiro Totani       | Seikei University                              |
| Dr. Kuender D. Yang         | MacKay Memorial Hospital                       |
| Dr. Chung-Yi Wu             | GRC, Academia Sinica                           |
| Dr. Cheng-Chung Wang        | Academia Sinica                                |
| Prof. Pi-Hui Liang          | National Taiwan University                     |
| Dr. Yoshiki Yamaguchi       | RIKEN                                          |
| Prof. Ramesh Prasad Pandey  | Sun Moon University                            |
| Prof. Nadimpalli Siva Kumar | University of Hyderabad                        |
| Prof. Jin-ichi Inokuchi     | Tohoku Medical and Pharmaceutical University   |
| Prof. Ming-Heng Wu          | Taipei Medical University                      |
| Prof. Tetsuya Okajima       | Nagoya University                              |
| Prof. Sharmistha Sinha      | Institute of Nano Science and Technology       |
| Prof. Josef Voglmeir        | Nanjing Agricultural University                |
| Prof. Roman Bleha           | University of Chemistry and Technology, Prague |
| Prof. Kaname Sasaki         | Toho University                                |

|                                 |
|---------------------------------|
| Prof. Mukram Mackeen            |
| Prof. Zaher Judeh               |
| Prof. Ubon Cha' on              |
| Prof. Hsin-Yi Wu                |
| Prof. Atit Silsirivanit         |
| Dr. John Yu                     |
| Dr. Jiun-Jie Shie               |
| Prof. Cheng Hsun Ho             |
| Dr. Akihiro Ishiwata            |
| Mr. Ruohan Wei                  |
| Prof. Ching-Ching Yu            |
| Dr. Hiroaki Tateno              |
| Dr. Wei-Ling Lin                |
| Dr. Akira Togayachi             |
| Prof. Morihisa Fujita           |
| Dr. Wei-Chieh Cheng             |
| Dr. Kazuyoshi Ito               |
| Dr. Masamichi Nagae             |
| Dr. Narayana Murthy Sabbavarapu |
| Dr. Anandaraju Bandaru          |
| Dr. I-Fan Tu                    |
| Dr. Shu-Jung Lai                |
| Dr. Ming-Hsiang Hong            |
